CERAMICA

**BLOOM SERIES**

The image features a vibrant, abstract ceramic tile design. It consists of three stylized human profiles facing each other, rendered in a multi-colored, painterly style. The colors include shades of green, blue, purple, orange, and yellow, all set against a black background. The profiles are positioned in the center and right of the frame, with a large, curved, multi-colored shape on the left side that appears to be part of the same design.
